

Grant Writing Seminars.

Don't let the process of writing a grant scare you away from potential funding. This basic 3hr. course is designed to encourage and build confidence of current and potential nonprofits leaders concerning the process of grant writing. If you're looking for a place to begin, or you want to investigate what is involved in the grant writing process, this seminar is for you. Bring your board members, or potential board members, directors and volunteers. Issues covered during our time together will include . . .

Grant Writing 101

1. Planning; deciding what type of grant is needed
2. Preparation; gathering all the information needed to include in a grant
3. Introduction to a Project Logic Model used in present grant proposals.

Grant Writing 102

4. Discussing and understanding the project logic model
5. Proposal; using the correct format in writing the grant
6. Provider: knowing where to look for the provider that's right for you.

The truth is that most nonprofits cannot exist from personal donations alone. Don't let your nonprofit fail to reach its potential due to a lack of funding. Register today and be informed.
